Ladies Bible Study on Thursday mornings has ended for the summer. Look for a new study to begin in the fall.

You're invited to a **Bible Study Fellowship** Introduction Class. All women are invited to the next BSF Class held on Monday nights at 6:55pm at Grace Church of the Islands and learn about a unique way to study the Bible. This year the study is on the book of John. Classes are also offered to school age children (grades 1-12) whose family members attend. For more information call Leigh Gardener- 232-4683.

There is a **Women's Evening Bible Study** meeting on Thursday evenings at 7pm, at the home of Lucia Welch. The study is on Ephesians and will be led by Mary Ellen Calderon. If you are interested, please call Lucia at 897-1880.

WIC Scrapbooking and Craft Night will be on Friday, May 21st from 6-11pm
